Academic Year Report Covers: 2022-23

Date Prepared: 4-26-23

List of dates the committee met: October 6, 2022 & April 17, 2023

List and briefly describe major accomplishments of the committee for the year:

. SLEC met with Dr. Jodi Pettazzoni, Associate Vice Provost and Director at the Office of Assessment, Accreditation, and Academic Program Learning. Dr. Pettazzoni provided a training workshop on peer review of program assessment reports (that are critical in UNCG's accreditation) on October 6, 2022. Upcoming plans are also discussed.

. The Committee has submitted a resolution to increase the number of members from 10 to 12 due to increasing number of programs and assessment reports. The Government Committee provided feedback and suggestions. The revised resolution is approved first by the Government Committee in Fall 2022 and then by the Faculty Senate and General Faculty in Spring 2023.

. Each Committee member received and reviewed 13-15 program assessment reports between February 9 and March 13, 2023. We compared our reviews to Dr. Pettazzoni's reviews.

. On April 17, 2023, the Committee met to discuss the results of the peer review process. Also, the best practices are identified by April 21 by each Committee member's identifying and nominating the best practice(s) and award-winning program(s) will be selected after that.

List any action items for future consideration (if applicable):

Next year, both the incoming and past (last 2 years) SLEC Chairs will have an important role during the accreditation review meeting.

Discuss strengths and opportunities for improvement:

Working closely with Dr. Jodi Pettazzoni is always very helpful.
