**List any action items for future consideration (if applicable):**

- Submit Affinity Group/Mentoring Initiative proposal to Deans at the start of Fall 2024 semester for consideration
- Submit an application to the Affinity Group Council to establish a formal entity and representation of PTF
- Continue working with Faculty Senate Compensation and Welfare Committee on the Emerita/us status policy proposal

**Discuss strengths and opportunities for improvement:**

The committee was strong this year in terms of members' commitment to doing the work that needed to be done. The busyness of everyone's schedules, in addition to the APR process, caused the committee not to be able to meet as often as desired. The committee for 2024-2025 will be largely new members, which provides an opportunity for more ideas and perspectives to be brought forward.
